RE: Winstar Communications, LLC
Winstar Account No. 5250510525
Section 63.71 Application of Winstar Communication, LLC

Dear Sirs:

In response to Winstar Communications, LLC's Notice of Communication Services Discontinuance on June 15, 2004, please be advised that such a discontinuation will significantly and adversely impact the business of Yaron & Associates. The discontinuation of services by Winstar leaves Yaron & Associates **without any local, long distance and internet service from June 15 to July 1, 2004.**

Yaron & Associates is relocating its offices on July 1, 2004. Our new provider will give us local, long distance and internet service at the new location on July 1, 2004. However, this leaves us with no service at our present location for two weeks until we move. We have attempted to locate a provider for the two week period of June 15 to July 1, 2004 at our present location, but have been unsuccessful. No provider wants to give us local, long distance and internet service for only a two week period. Therefore, we request that Winstar be required to continue to provide us local, long distance and internet service with continued until at least June 30, 2004.

Thank you for your consideration of our request. We look forward to hearing from you regarding our request that Winstar be required to continue to provide us local, long distance and internet service with continued until at least June 30, 2004.

Very truly yours,

KATHLEEN T. FRIEDLANDER
